Chapter 1 by StealthWriter23

I'm Shauna Delano. I'm 23 years old I live with my BFF, Michelle. I have dark brown skin, chocolate brown hair, and dark hazel eyes. On January 19, 2016, I experienced the creepiest event of my life Here is the story.

Michelle was sleeping in her room and I was laying awake in mine. I could not believe that I was still awake. I mean, it was already 3:13 in the morning. It was a clear night. I looked out my window wondering if IT was out there. IT was large, venomous, had a lot of teeth, and had red beady eyes. Classic monster, right? Well, people think it's actually real. There have over 50 sightings in the past 2 months. The oldest sighting known was in 1932. All of a sudden, I heard something. It was like an animal call. I looked out my window, and there IT was. I let out the most ear shrieking scream I have ever witnessed or heard or anything in my entire 23 year life.
